RE: Tennessee Wastewater Systems, Inc.'s Petition to Amend Certificate of Public Convenience and Necessity to Provide Wastewater Utility Services (Docket No. 04-00394.)

Dear Mr. Pickney:

Applicants for Certificates of Public Convenience and Necessity are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of Tennessee Wastewater Systems, Inc.'s amendment to its Certificate of Convenience and Necessity to provide wastewater utility services to the portion of Williamson County, Tennessee known as Williamson County West you are requested to provide the following information:

1. Please provide the engineering and construction plans for the proposed area including number of customers to be served.
2. Please provide a detailed estimate of the cost of construction of the system.
3. Please provide the projected number of customers for the first five years. Provide a detailed analysis justifying the projected customer growth.

It is requested that this information be provided no later than Friday, January 7, 2004 and that you reference Docket No. 04-00394 on the response. In accordance with TRA rules submit either (1) thirteen (13) written copies of your response or (2) four (4) written copies and an electronic version.

Should you have any questions regarding this request, please contact Patsy Fulton at 615-741-2904 ext. 193.

Sincerely,

Darlene Standley, Chief
Utilities Division
